# Dedication

What do you think of when you hear the word **spirit**? Cheerleaders? Football games? Pep club rallies? Or is it something more? We feel that a strong sense of participation and pride in everything we do — academics, athletics, or extra-curricular activities — is the real spirit at Pittsfield High. The P.H.S. 1972 **Dome** staff proudly dedicates the following pages to each student, teacher, and administrator who portrays our theme of **SPIRIT**.

# Social Studies Department

The Social Studies Department offers a curriculum which gives the students a greater understanding of the world and its history. Courses such as Black History, Indian History, Comparative Revolutions, and International Relations give an insight into the events of today by tracing their origins. By studying the ideas of the people who make history, students form their own opinions and ideas.

The nine foreign language teachers at Pittsfield High offer courses in five languages — French, Spanish, German, Latin, and Italian. Almost one thousand students take advantage of the courses.

In the various classes students are exposed not only to the language itself, but also to a culture different from their own, giving a view of life on a world-wide level.

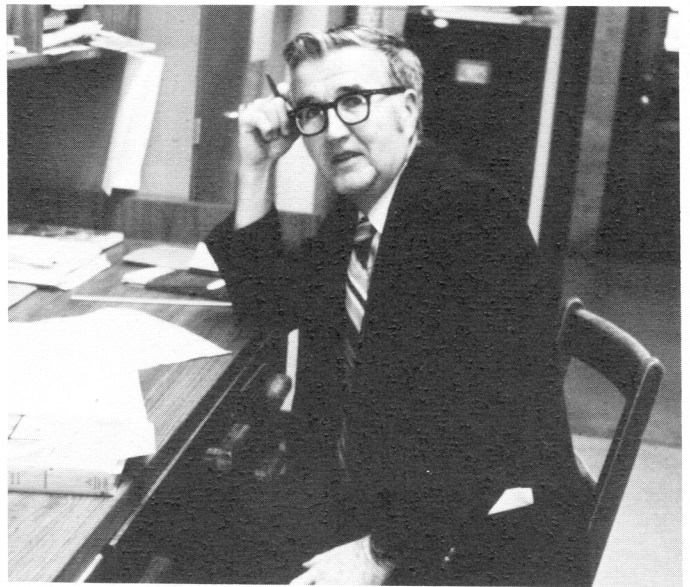

Dialogue and speaking skills are further developed through the use of lab techniques, movies . . . and an occasional game of Scrabble.

The Mathematics Department exemplifies the manner in which Pittsfield High seeks newer and more advanced learning methods. The school has one of the most extensive mathematics curriculums in the area, with courses ranging from business math and elementary algebra through trigonometry and calculus. As a required part of the tenth grade geometry course, students utilize a teletype which connects with the Berkshire Community College computer center. In this way they are able to develop an interest in the growing field of computers.

We can be proud of the accomplishments of some of our math students. During the past two years students have developed new computer programs for the printing of schedules and report cards which are faster and more accurate than the methods previously used. In the Eighth Annual Olympiad High School Competition in math, Pittsfield had an exceptionally large representation with one finalist and five commended students.

Pittsfield High has one of the finest science departments in the area, offering a program of physics, chemistry, and biology, with levels ranging from CPII to Honors and Advanced Placement. The courses are structured to emphasize the importance of science in everyday life. An example of this type of learning experience occurred this year when part of a semester was devoted to environmental studies. The classes are geared to encourage students to be inquisitive and aware of the need for the understanding of science.

The English Department at Pittsfield High gives students the opportunity to develop their own special interests as well as to obtain a good basic background in grammar and literature. Along with required sophomore, junior, and senior English there are Honors and Advanced Placement courses and electives in Modern Poetry, Journalism, and Developmental Reading.

An innovation this year was the institution of the Theatre Arts program. Under the direction of Miss Dolores Zieminiski, students in Theatre Arts studied the history and techniques of drama. In February a demonstration of modern dance, choreographed and performed by these students, was presented to the English classes.

By participating in the various activities offered by the English Department, students at P.H.S. find that, contrary to popular opinion, school can be both interesting and enjoyable.

### **COSMETOLOGY**

Pittsfield High's Cosmetology Program teaches girls the basic skills necessary for work in a beauty shop. They learn hairdressing, cutting, styling, setting, and shampooing and also how to give manicures and facials. At the close of their high school years the participants in the cosmetology program will have received sufficient training for success in their chosen profession.

### **Occupational Education**

The Occupational Education program provides students with both academic and work-related experience. The student spends ten weeks in each shop area acquiring skills and concepts necessary for success in that field of work. Shop areas include drafting, automotive, and power mechanics, building maintenance, and machine shop for boys and basic practical nursing, homecare, childcare, home economics, and office practices for girls. Pupils also take academic courses in communication and basic mathematics.

Students may elect subjects outside the occupational education program, and those who exhibit aptitude and interest in a particular field are encouraged to enter a standard vocational program. Thus they are able to develop their special abilities and to prepare for successful careers.

# B u s i n e s s

Skill, the prime element for success in the business world, is the main objective of all the teachers in the Business Department. They attempt to bridge the gap between school and office by employing modern teaching techniques and machine technology. In addition to the basic skills of typing, shorthand, and bookkeeping, practice on electronic calculators, duplicating equipment, transcribing machines, and computers, is offered.

Any student who successfully completes the Business Course at Pittsfield High is well on his way to being a success in any office position.

# Art Department

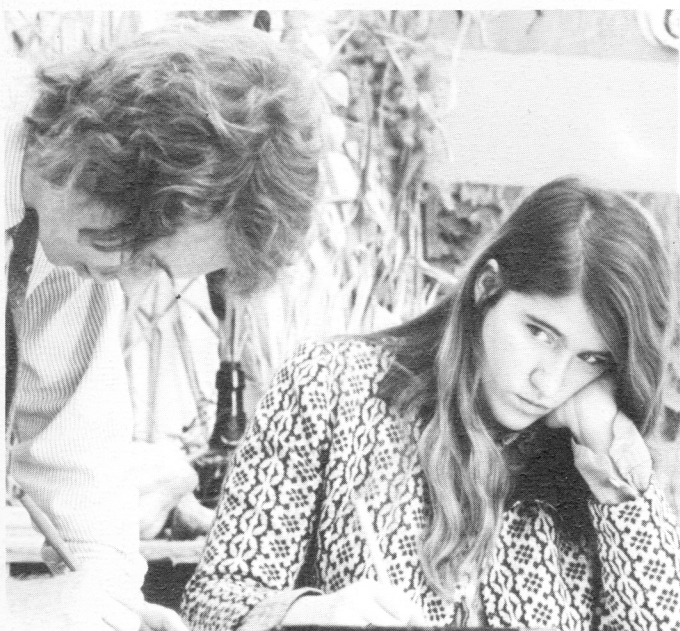

The Art Department offers a wide range of courses from introductory studio to college level studies. The courses include ceramics, sculpture, studio classes, drawing and painting, and art appreciation.

The students in the advanced senior art program have had many opportunities to display their talents in and out of the classroom. They were invited to paint the Christmas windows at the Berkshire Common and designed banners for a competition at the Berkshire Museum. They taught at elementary and junior high schools in Pittsfield and Dalton and initiated the Pittsfield High Traveling Zoo. (This consisted of paper mache animals which were exhibited at the Children's Room of the Berkshire Athenaeum and at local schools.)

The teachers and students in the art program have done a fine job all year long and the entire school can take pride in their creativity.

## Girls' Gym

In the girls' Physical Education class, students are taught the basics of several sports and are given the opportunity to develop an interest in them. If a girl ends in a certain sport, she learns enough of the fundamentals in gym class to continue playing in college, and she might possibly develop a career.

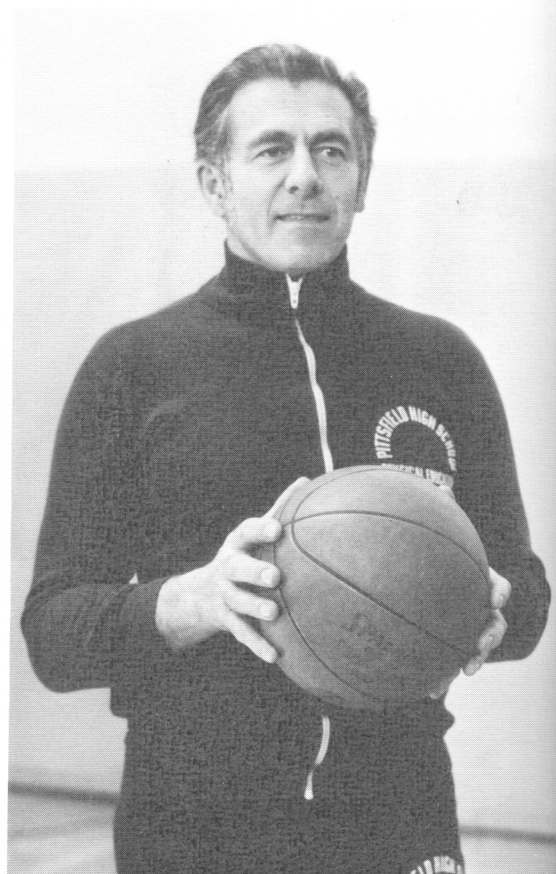

In the fall, the girls play football and field hockey. The winter program offers volleyball and basketball, while in the spring the class learns gymnastics, softball, ping-pong, and badminton. The girls learn the major skills involved in each sport, while also learning the meaning of good sportmanship by playing on regular teams under game conditions.

## Boys' Gym

Throughout the year, the boys' Physical Education Department provides a program of physical fitness and team participation. In the fall the students play touch football and soccer and are given a program of calisthenics to get them in shape. In the winter volleyball, basketball, gymnastics, tumbling, and wrestling provide a rewarding and energetic program of individual and team sports. Finally, in the spring the Physical Education Department offers softball and track and field. This program has instilled in many students the spirit of competition, and has led to the discovery of many of our school's greatest athletes.

The Guidance Department offers much-needed assistance to all students during their three years at Pittsfield High. The staff of five counselors tries to do all that it can to provide each student with an adequate course of studies.

The knowledge and experience of the counselors becomes invaluable during senior year when the problems of choosing a career or a college arise. Guidance can sort out the paperwork and lessen the confusion, making senior year more enjoyable and rewarding.

## The Blue Room

The Blue Room is an interesting innovation instituted by the Special Education Department. It is run by students enrolled in the Special Education program, who sell coffee and sandwiches to teachers. The Blue Room's promoters hope to expand its services in the future by offering baked goods, salads, and hot sandwiches.

The pupils involved in the operation of the Blue Room gain responsibility, self-confidence, and experience in running a business.

# National Honor Society

The members of the Longfellow Chapter of the National Honor Society exemplified the spirit of perseverance which is necessary for success. Through their diligence in academic work, these students achieved outstanding scholastic records and brought credit to themselves and to Pittsfield High School. In an effort

to contribute to the school, the National Honor Society instituted a tutoring program through which students having trouble in a subject could obtain help from a Society member. Each member, in his own way, displayed the qualities of character, leadership, scholarship, and service which are fostered by the National Honor Society.

**Seated:** Britta Johnson; David Crouser, Chairman of Safety Committee; Gail Sciarra, President; Linda Goldberg, Vice President; Amy Simons, Secretary, and Christine Delphia. **First row, standing:** Ronald Rubin, Karen Sciola, Jo-Ann Wisnowski, Gloria Radke, Debra Petell, Patrice Tassinari, Elizabeth Bashaw, Mary Corbett,

Charleen Crawford, and Donna Marchetto. **Second row, standing:** Robert Lerner, Michael Stein, Denison Smith, Peter Nelson, Bradley Shapiro, Christopher Bulgarelli, Albert Hermann, and Matthew Lussier. **Absent:** Robin Hughes, Kathi Lovejoy, and Debra Therrien.

# National Merit

**Chris Bulgarelli, Finalist**

Chris Bulgarelli is one of Pittsfield High School's leading philosophers. He takes a difficult course of studies which involves four A.P. subjects: Calculus, Biology, European History and English. Chris's extra curricular activities include writing for the **In General** and **The Students' Pen**. He is a member of the baseball team, the National Honor Society, and is our only National Merit finalist at P.H.S. this year. Chris has been accepted at Tufts where he will major in philosophy.

Albert Hermann is very busy at P.H.S. both academically and athletically. He carries a heavy work load which includes A.P. English, A.P. Calculus, and A.P. Biology. Al is also an active member of the ski patrol, the track team, and **The Students' Pen**. Accepted at Cornell University, Al will major in biology.

Debbie DiMassimo is one of Pittsfield High School's most active girls. She is Girls' Vice-President, Editor-in-chief of the **In General**, and takes A.P. English and A.P. Biology. Debbie has been accepted at the University of Massachusetts where she will major in journalism.

Ruth Smith is enrolled in the C.P. program and takes A.P. Biology. She has been accepted at the University of Massachusetts, where she plans to major in biology. Ruth is a member of the chorus and the Madrigals.

**Al Hermann, Debbie DiMassimo, and Ruth Smith, Letters of Commendation.**

Andy Monteleone, one of our spirited varsity cheerleaders, is enrolled in the C.P. program and takes A.P. English. Vice-President of the G.A.A. and active in intramural sports, Andy is also a contributor to the **Students' Pen** and the **In General**. She received early acceptance to Bucknell University, where she would like to major in psychology.

Gail Sciarra has had a very active senior year. Along with her duties as co-editor-in-chief of the **Dome**, she is president of the National Honor Society, a member of the Cadettes and the Debating Club and a home room treasurer. Gail's academic schedule includes A.P. Biology, A.P. Calculus and A.P. English. Her outstanding scholastic achievement has earned her an acceptance at the College of the Holy Cross, where she will be a pre-med major.

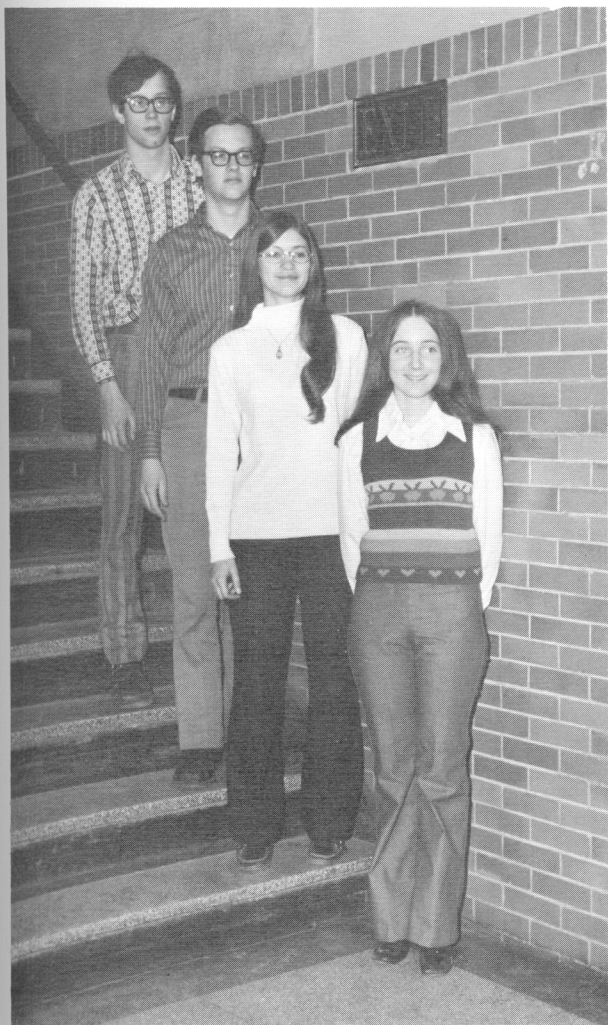

Charleen Crawford, more commonly referred to as Chuck, is a familiar face around P.H.S. An A.P. English student, she can be seen at P.H.S. sporting events as one of our varsity cheerleaders. Chuck is actively involved in the Elementary School Drug Program,

Andrea Monteleone, Gail Sciarra, Charleen Crawford and Robert Lerner, Letters of Commendation.

and is a member of the Pep Club and the G.A.A. She will major in psychology at Middlebury College this fall.

Robert Lerner is scientifically oriented as he takes A.P. Calculus and A.P. Physics and plans to major in physics at Worcester Polytechnical Institute this fall. His outside activities include J.E.T.S., the Quantum Club, National Honor Society and the Pep Club.

David Nilson, Brian Kelly, Elizabeth Bashaw and Mary Corbett, Letters of Commendation.

David Nilson has been accepted at Lowell Tech where he plans to major in chemical engineering. David is enrolled in the C.P. curriculum and takes A.P. Chemistry.

Brian Kelly, an ardent member of the P.H.S. Audio-Visual Club, will major in Communications at Syracuse University.

Elizabeth Bashaw, one of our more sports-minded intellectuals, takes A.P. Calculus and A.P. Chemistry. Liz is a Cadette, a member of the G.A.A. Board and the National Honor Society, and takes part in intramural sports. She will major in medicine at Berkshire Community College.

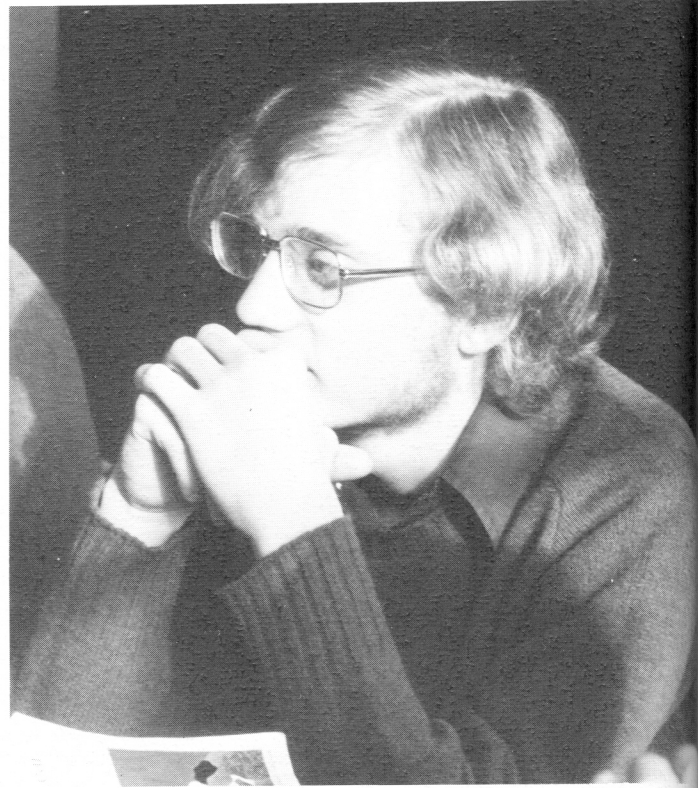

Ranking first in the Class of 1972, Mary Corbett is outstanding in the academic field at Pittsfield High School. In addition to being a member of the National Honor Society, the Pep Club, and the literary staff of the **Dome**, she is enrolled in A.P. Calculus and A.P. English. Mary has been accepted at St. Lawrence University and plans to major in English.

Pittsfield High	31	Munson High	31
Pittsfield High	33	Minnechaug	48
Pittsfield High	32	Westfield	47

This was the second year of Pittsfield High's girls' basketball team, under Coach Nancy Lominski, and they proved their ability by capturing two Berkshire County Championships. The team improved in the last year and benefited from the previous experience of some of the players.

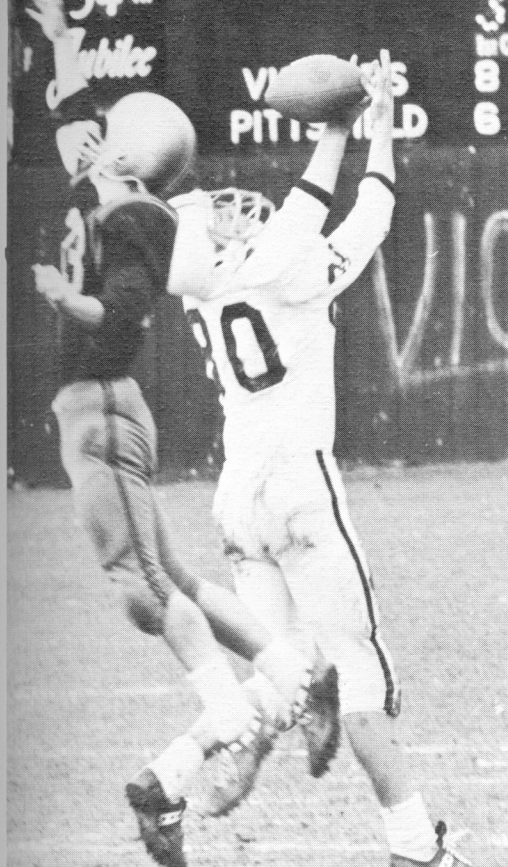

Because the girls worked hard, practicing for two hours every day after school, they received the title of Berkshire County Champions. They then went to the Western Massachusetts Tournament undefeated and moved up from the quarter-finals by defeating a strong Munson High School team. However, they were eliminated in the semi-finals by a strong Minnechaug squad.

At the Berkshire County Championship game, the Northern and Southern Berkshire teams were announced: Shelley Towle of P.H.S. was named to the Northern Berkshire team. Among the Honorable Mentions were Jackie Gleason, Judy Gleason, Sue Bogle, and co-captains Sherry Cadorette and Jayne DiNicola.

Congratulations, girls, for such a successful season and good luck next year!

Pittsfield High's Soccer Generals finished their 1971 season in the true spirit of achievement with an outstanding over-all 12-5-1 record, giving them a third place standing. In city competition, the Generals proved their ability by posting a 2-1-1 record, thus capturing the city title. They were edged by Taonic 3-2, but later came back

strongly with a 2-1 victory. In their first game against St. Joe of Pittsfield the Generals emerged with a 1-1 tie, but in the second meeting of the two teams Pittsfield High proved the better by defeating St. Joe 3-1. At the Western Massachusetts play-offs Coach McGee's team shut out Marlboro 1-0 and then went up against Ludlow, a team which maintained an average of six goals per game. In one of the most exciting moments of the Generals' season, Pittsfield High put up a great fight, but was finally eliminated from the play-offs with a 2-0 defeat. Nevertheless, the school was extremely proud of its team's many accomplishments in one of its best seasons.

# Hockey

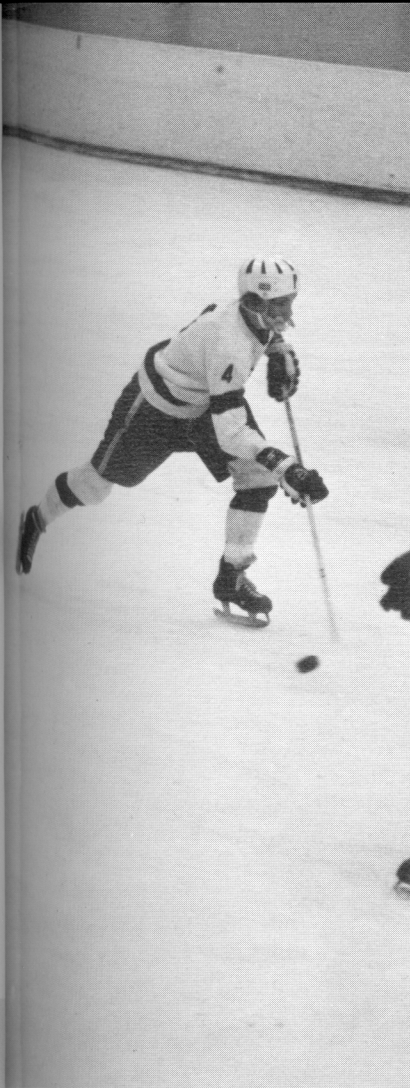

This was a good year for our Hockey Generals. While finishing with a 5-7 record, they managed to capture second place in the Hennessey Division, qualifying them for the Western Massachusetts Tournament.

Probably the greatest victory this year was the spectacular game they played against Taconic in which our boys handed the Braves their only Hennessey Division loss in its history. Congratulations to Coach Murphy, Bernie Champoux, and Dan Caritey for helping our team to display such fine hockey throughout the year.

This year, the P.H.S. wrestling team completed an outstanding season. Through the superb coaching of George Sylvester and the skill of the returning lettermen, the team rallied to a record of 14-4-1, and earned a fifth place berth in the Western Massachusetts tournament.

The team's major asset this year was its supply of experienced matmen in every weight class. Incoming sophomores also added strength to the team by being dependable competitors and stand-ins.

During the 1972 season, the team was led by tri-captains Pete DiNicola, Sam Slack, and Pete Wheeler. Next year, almost all of the P.H.S. nucleus will still remain. Coach Sylvester's grapplers are expected to do an outstanding job, and will try once again to capture the Western Massachusetts Championship.

## Ski Team

The Skiing Generals had a great 1971-72 season. Under Coach Unwin's competent leadership, the ski team came in third in the Interscholastic meet, beating schools from Western Massachusetts, Connecticut, and New York. Bill Kemp was the outstanding Alpine man for the Generals, while Bob Leach, Tim Downey, and John Chetkowski led the Nordic team. Bob Leach won the Savoy race, defeating several competitors from area schools. Although he did not come in first, Joe Unwin was our best jumper and inspired the team with his brilliant effort. We should be proud of our fine ski team.

### P.H.S. Swim Team

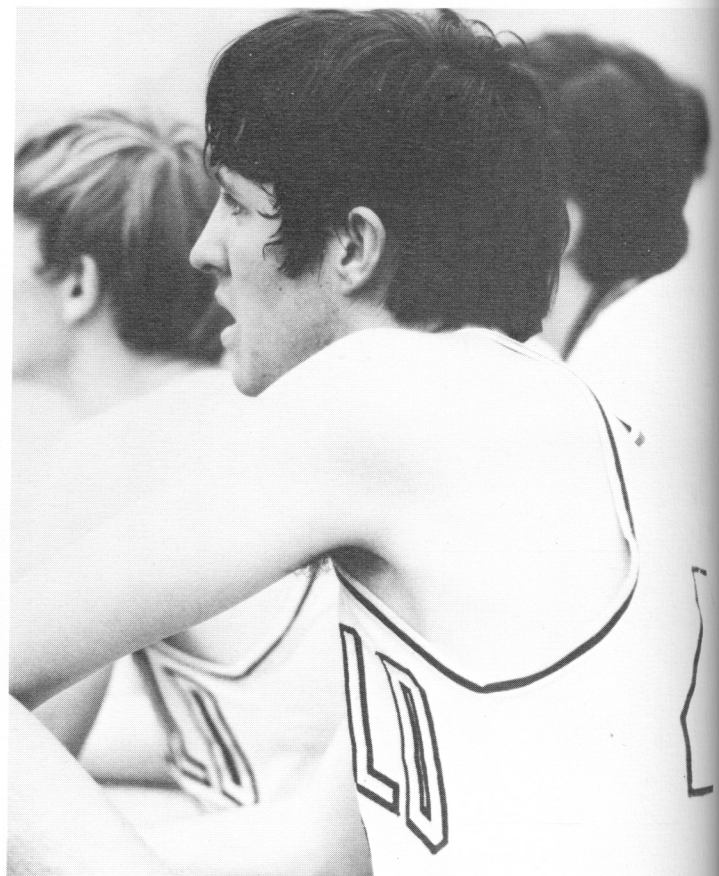

The Pittsfield High Swim team, under the leadership of Coach Robert Magee, posted a 7-11 record in the Western Massachusetts league. Both cross-town rivals, Taunton and St. Joe, fell to the mighty skill of the swimming Generals. P.H.S. won the first Berkshire County Championship by defeating the nine area schools with a total of 134 points. The Generals were headed by co-captains Steve Descz and Keith Lang. Bob Shaver, who won the Massachusetts State diving championship, was among the top point-getters in the league. Congratulations to our Berkshire County Champion Swim Team!

# The Pittsfield High Basketball Team

This year the 1971-72 Basketball Generals completed an impressive season of 14 wins and 7 losses. Credit must be given to this year's senior co-captains, Chris Huban and Gary Tate. Chris' high scoring and Gary's great defensive play inspired the team to many outstanding victories. Jon Tate was Pittsfield's highest scorer, averaging 17 points a game. Indispensable members of the team were seniors Tim Briggs and Bob MacDonald. Seniors Jeff Alexander and Mike Russell, juniors Mike Ziemak, Harvey Potter, Kevin Daley, and Pete Bertocci, and sophomores Rick Lisi and Russ Quetti provided a strong and vital reserve bench.

At first, Pittsfield seemed invincible, winning their first seven games in a row. By mid-season their record was 9-2. In what had to be the thriller of the year, the Generals squeezed past city rival Taconic in overtime. No less impressive was the 77-74 win in overtime over Hoosac Valley which temporarily put us in first place. Pride rang through Pittsfield that night! To prove their undying determination, the Generals defeated first-place Drury in the final game 78-77 with another stupendous battle. This victory entitled P.H.S. to compete in the Western Massachusetts Division I play-offs.

Congratulations to Coach McKeever and the Basketball Generals!

2nd Place Western Mass.

Pittsfield High's track team concluded the 1972 season with a fine record of 4 wins and only 2 losses. Led by Co-captains Chris Huban and Dave Crouser, our team took possession of second place in the Western Massachusetts tournament.

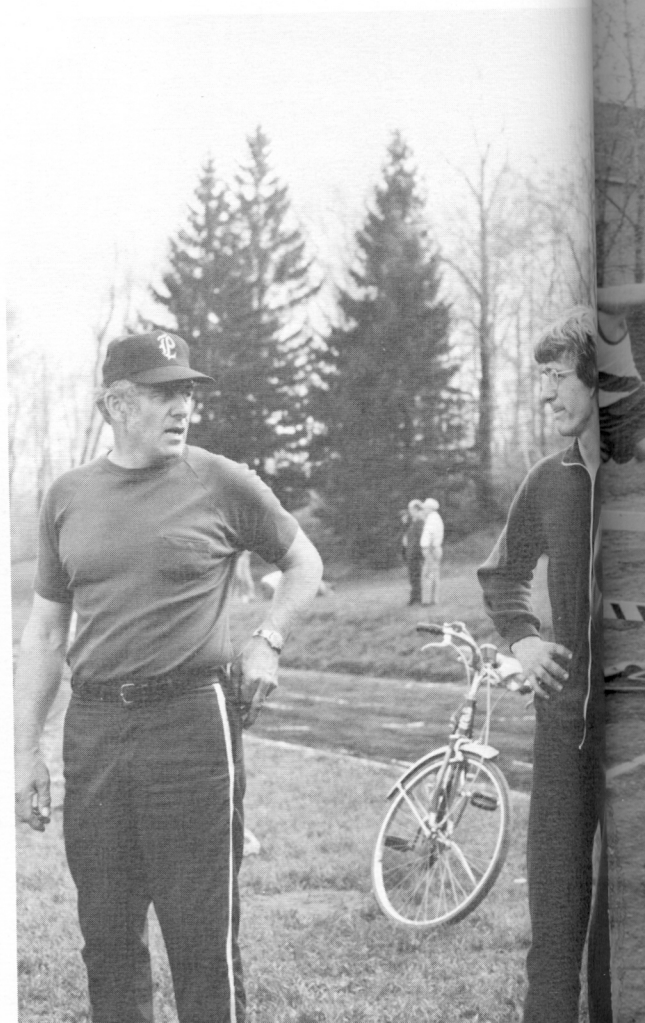

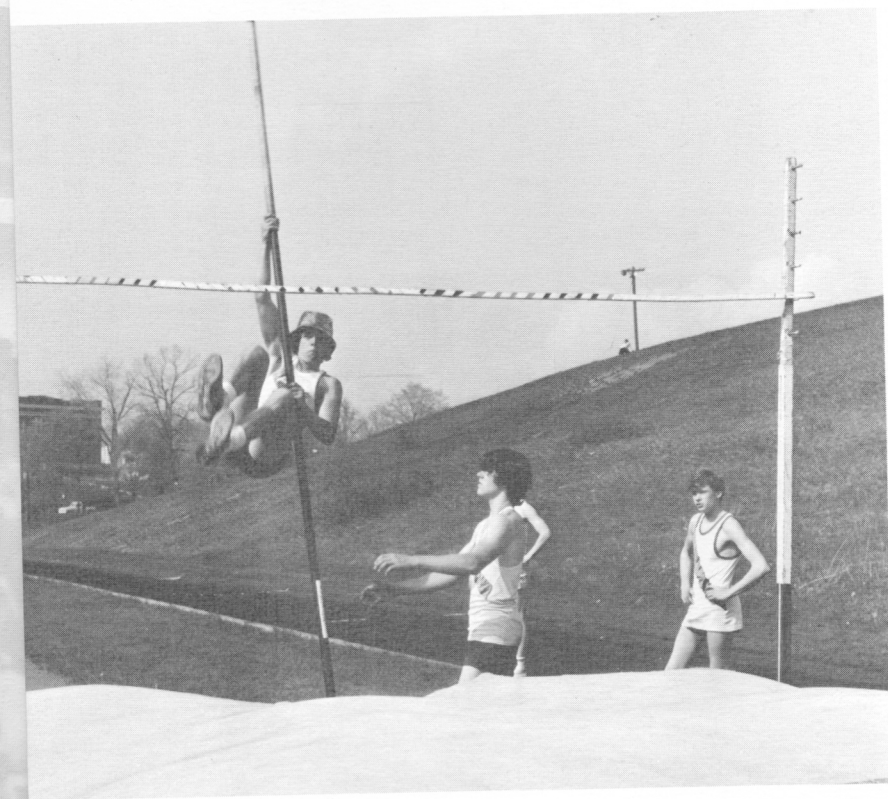

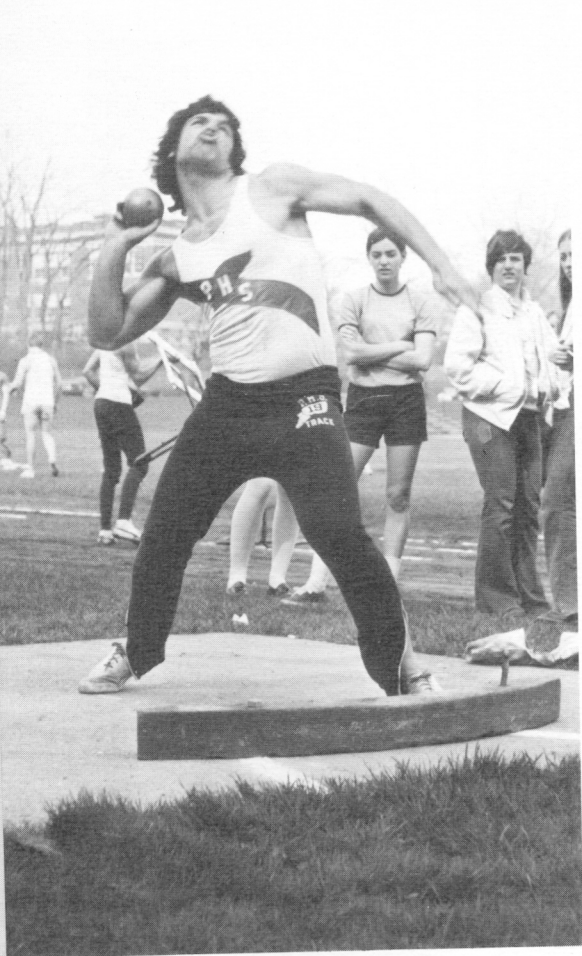

The main attraction in track this year was Chris Huban. While winning "only" third place in the State contest for the triple jump, Chris proceeded to capture the championship title for all of New England in this event. Thanks to all members of the P.H.S. Track Team for bringing such distinction to Pittsfield High.

The Baseball Generals fared well this year with an overall record of 12-10. Led by co-captains Dave Bowerman and Dave Jensen, the team really proved what kind of athletic ability is present at P.H.S. Our own great "Bud" Pellerin topped off the season as he was named New England Coach of the Year, an honor rightfully bestowed.

The Student Council functions as a mediator between the student body and the school administration. Under the advisorship of Mr. Glenn Lizotte, the council presents the views of the students to the administration and operates as a responsible student government.

During the past year the Council has been instrumental in completing the student lounge, and in expanding the program at Plunkett School where volunteer tutor-aides work with mentally retarded children. The Council has also helped establish the Tri-High Council, which tries to improve relationships among the three city high schools. The Council also presented recommendations to the School Committee concerning smoking, the discipline code, the study hall system, and final exams.

By serving as a responsible student government and by honestly and ably representing the views of the students, the Student Council has increased the pride and spirit of the pupils in Pittsfield High School.

## P.H.S. Band

The Pittsfield High Band, under the direction of Mr. Lee Hammel, was an integral part of many activities throughout the year. The players added spirit to parades, rallies, and sports events. During the football season they accompanied the Cadettes and also performed their own half-time show. The Pep Band cheered our team on to victory at basketball games.

Members of the band

participated in fund-raising projects held to finance the year's major event, an exchange concert with the East Granby, Connecticut Band.

Finally, the P.H.S. Band highlighted the end of the academic year by playing traditional selections and a medley from **West Side Story** during the graduation ceremony.

Congratulations and thanks to all our great musicians!

# German Club

The German Club is one of the extracurricular activities which have been set up in the language department during the past three years. With Mr. Glenn Lizotte as advisor, the German Club usually meets on weekends for co-ed sports, operating on the principle that one can learn to speak a language and have fun at the same time. During the fall, club members play Fussball (more commonly known to outsiders as soccer) and in the winter Gelände Schier (cross-country skiing) is very popular. German is supposed to be the only language spoken during these events, but this rule is not observed too strictly. However, the main purpose of the club is to have a good time, and judging from the usual turn out at meetings it has succeeded.

**The Student's Pen** is the literary magazine published by the Students of Pittsfield High School. Under the direction of Mrs. Patricia O'Leary, the literary staff of the publication accepts student contributions, including essays, poetry, critical reviews, and creative writing. Advised by Mr. Bruce Zwingelstein, the art staff supplies illustrations and photography which enhance the literary contributions. Truly an example of student creativity, talent and work, **The Student's Pen** is a magazine of high quality of which Pittsfield High can be proud.

My girdle is killing me!

The 1972 **Dome** is a unique publication because the members of its staff initiated a change in the traditional policies of assembling a yearbook. We were the first to hire a professional photographic company to produce a finer quality of candid and group shots of our activities and sports, and we incorporated more color in our edition than was ever before possible. Finally, a diligent staff still remained working at the end of June 1972, so that the excitement of the prom, class day, the unforgettable class banquet, graduation, and all our spring sports could be included within one book.

# Christmas Time At P.H.S.

Don leads the Madrigals in a festive song.

A grinch's life is a lonely one.

What evil thoughts lurk in the mind of Mike Murphy?

The Christmas presentation of Dr. Seuss's **How The Grinch Stole Christmas**, starring Mike Murphy in the title role and Mary O'Malley as his canine cohort, injected a bit of yuletide spirit into the usual pre-holiday frenzy at Pittsfield High. The play was a big success, proving that no one is ever too old to enjoy himself during this season of innocence and happiness.

Also included in the program were some traditional carols by the Madrigals whose singing added the proper note of reverence to the festivities.

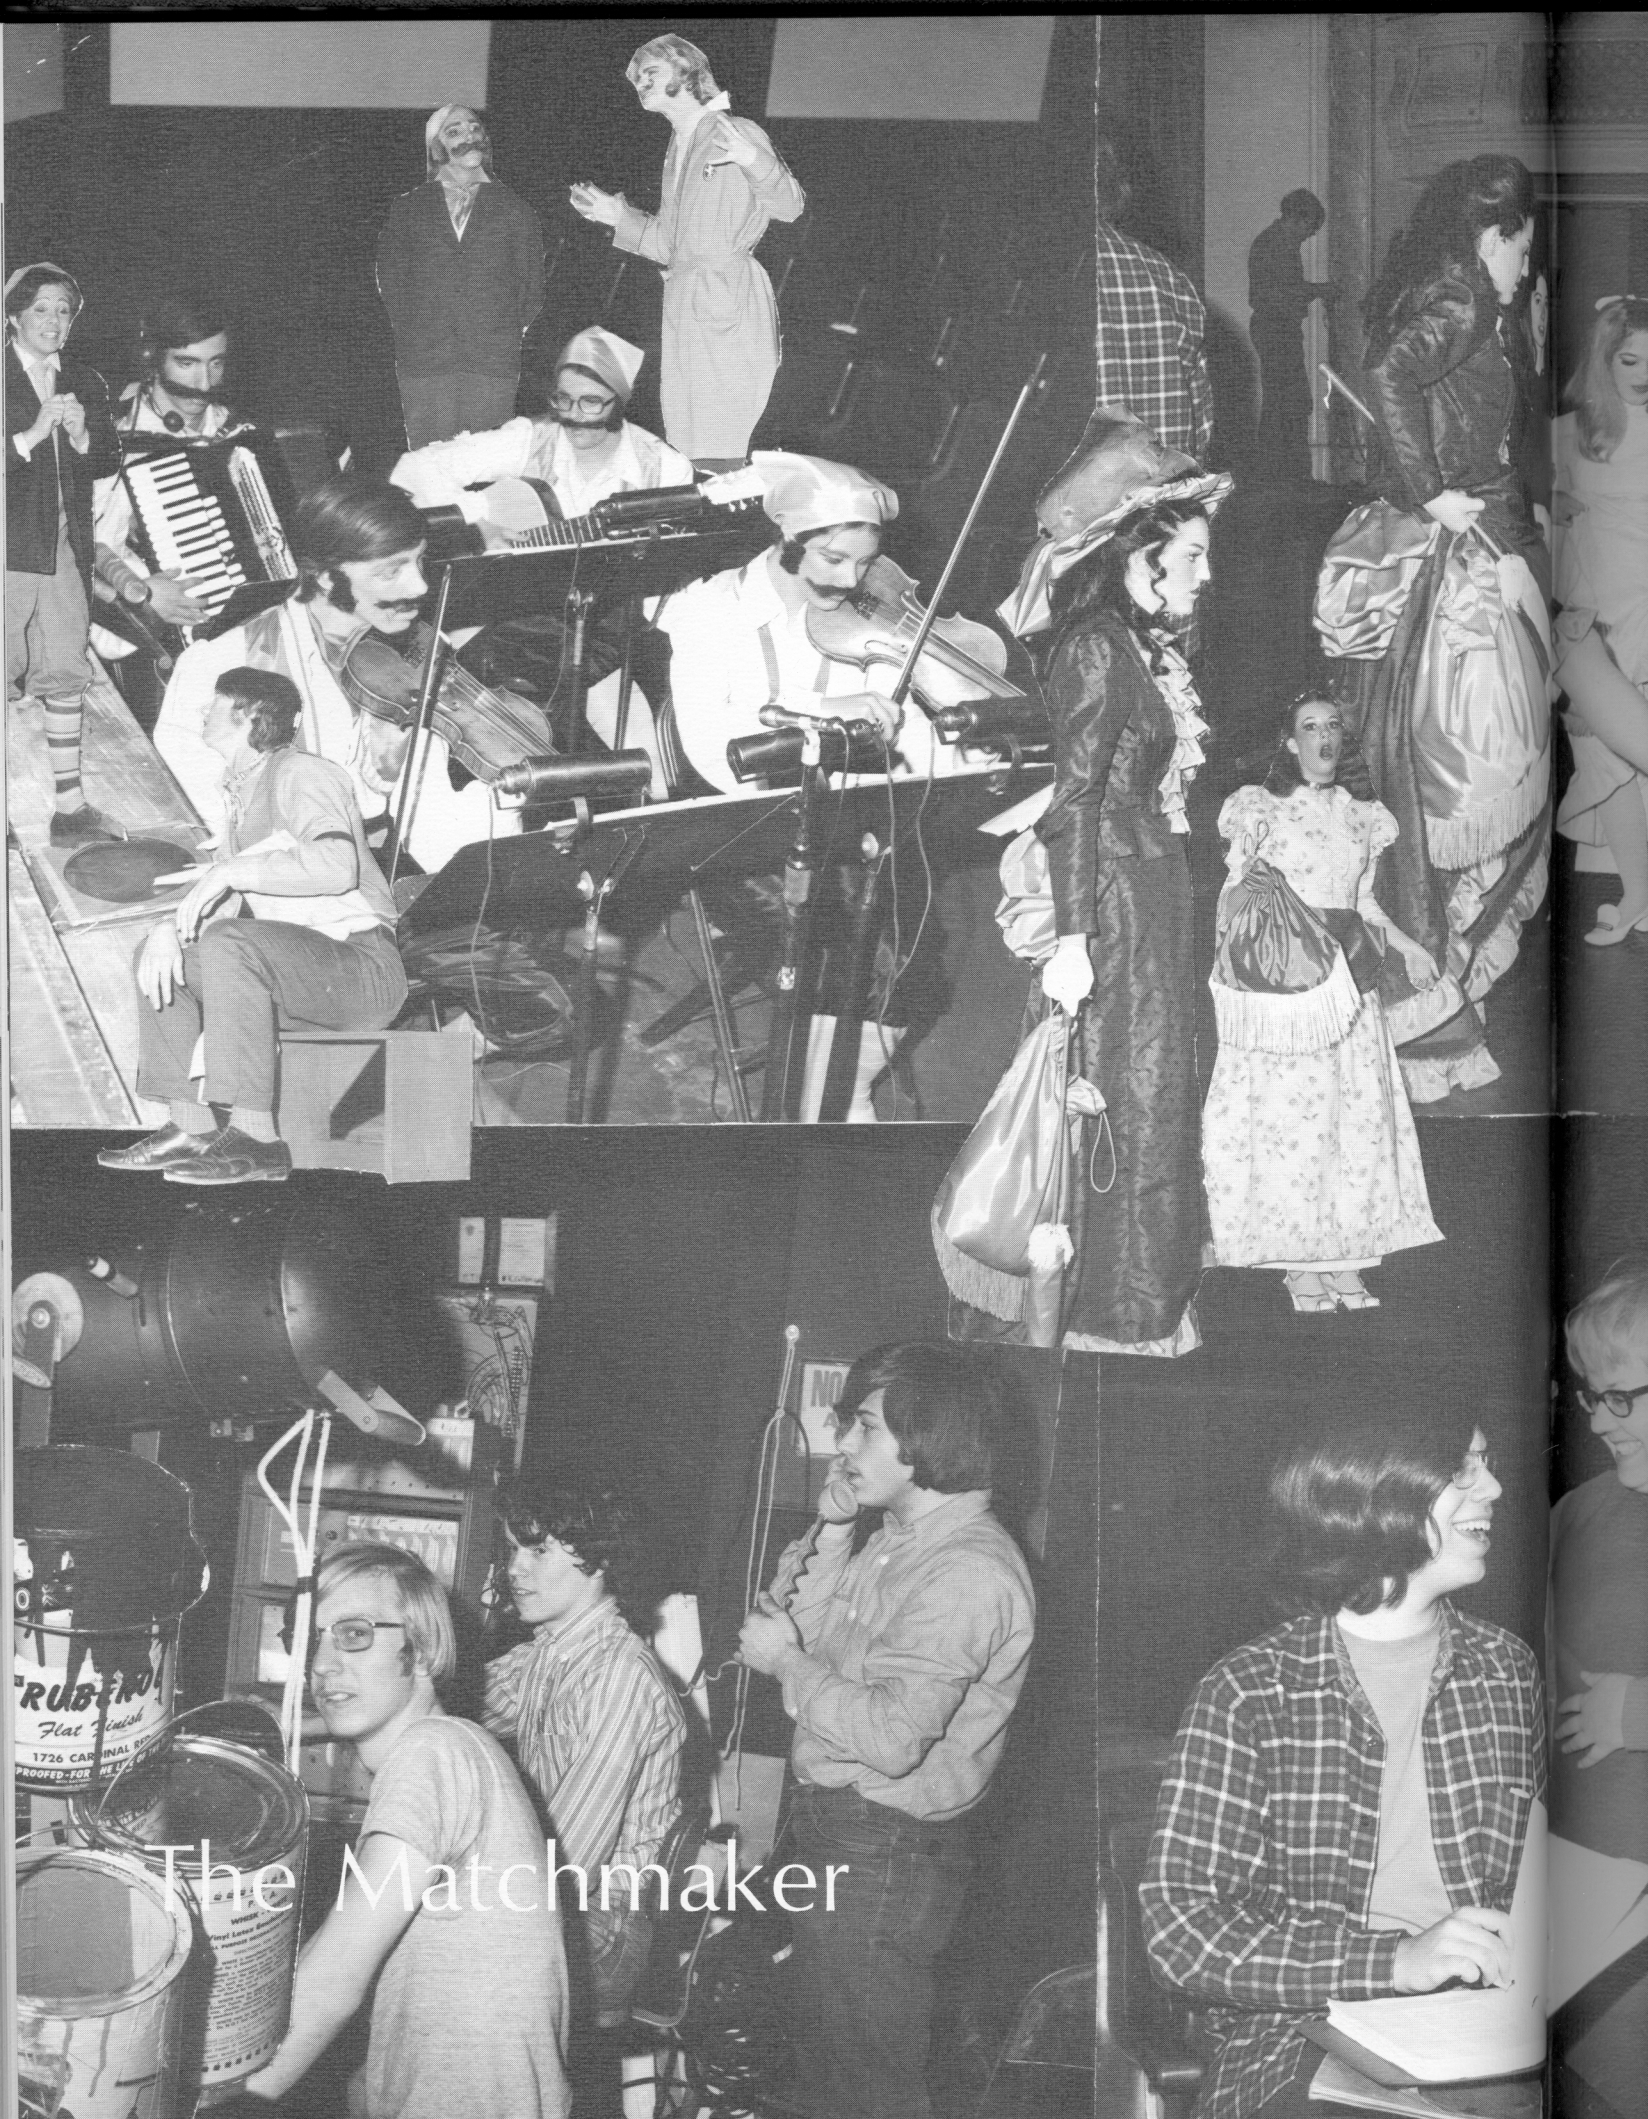

The Crowning Glory!

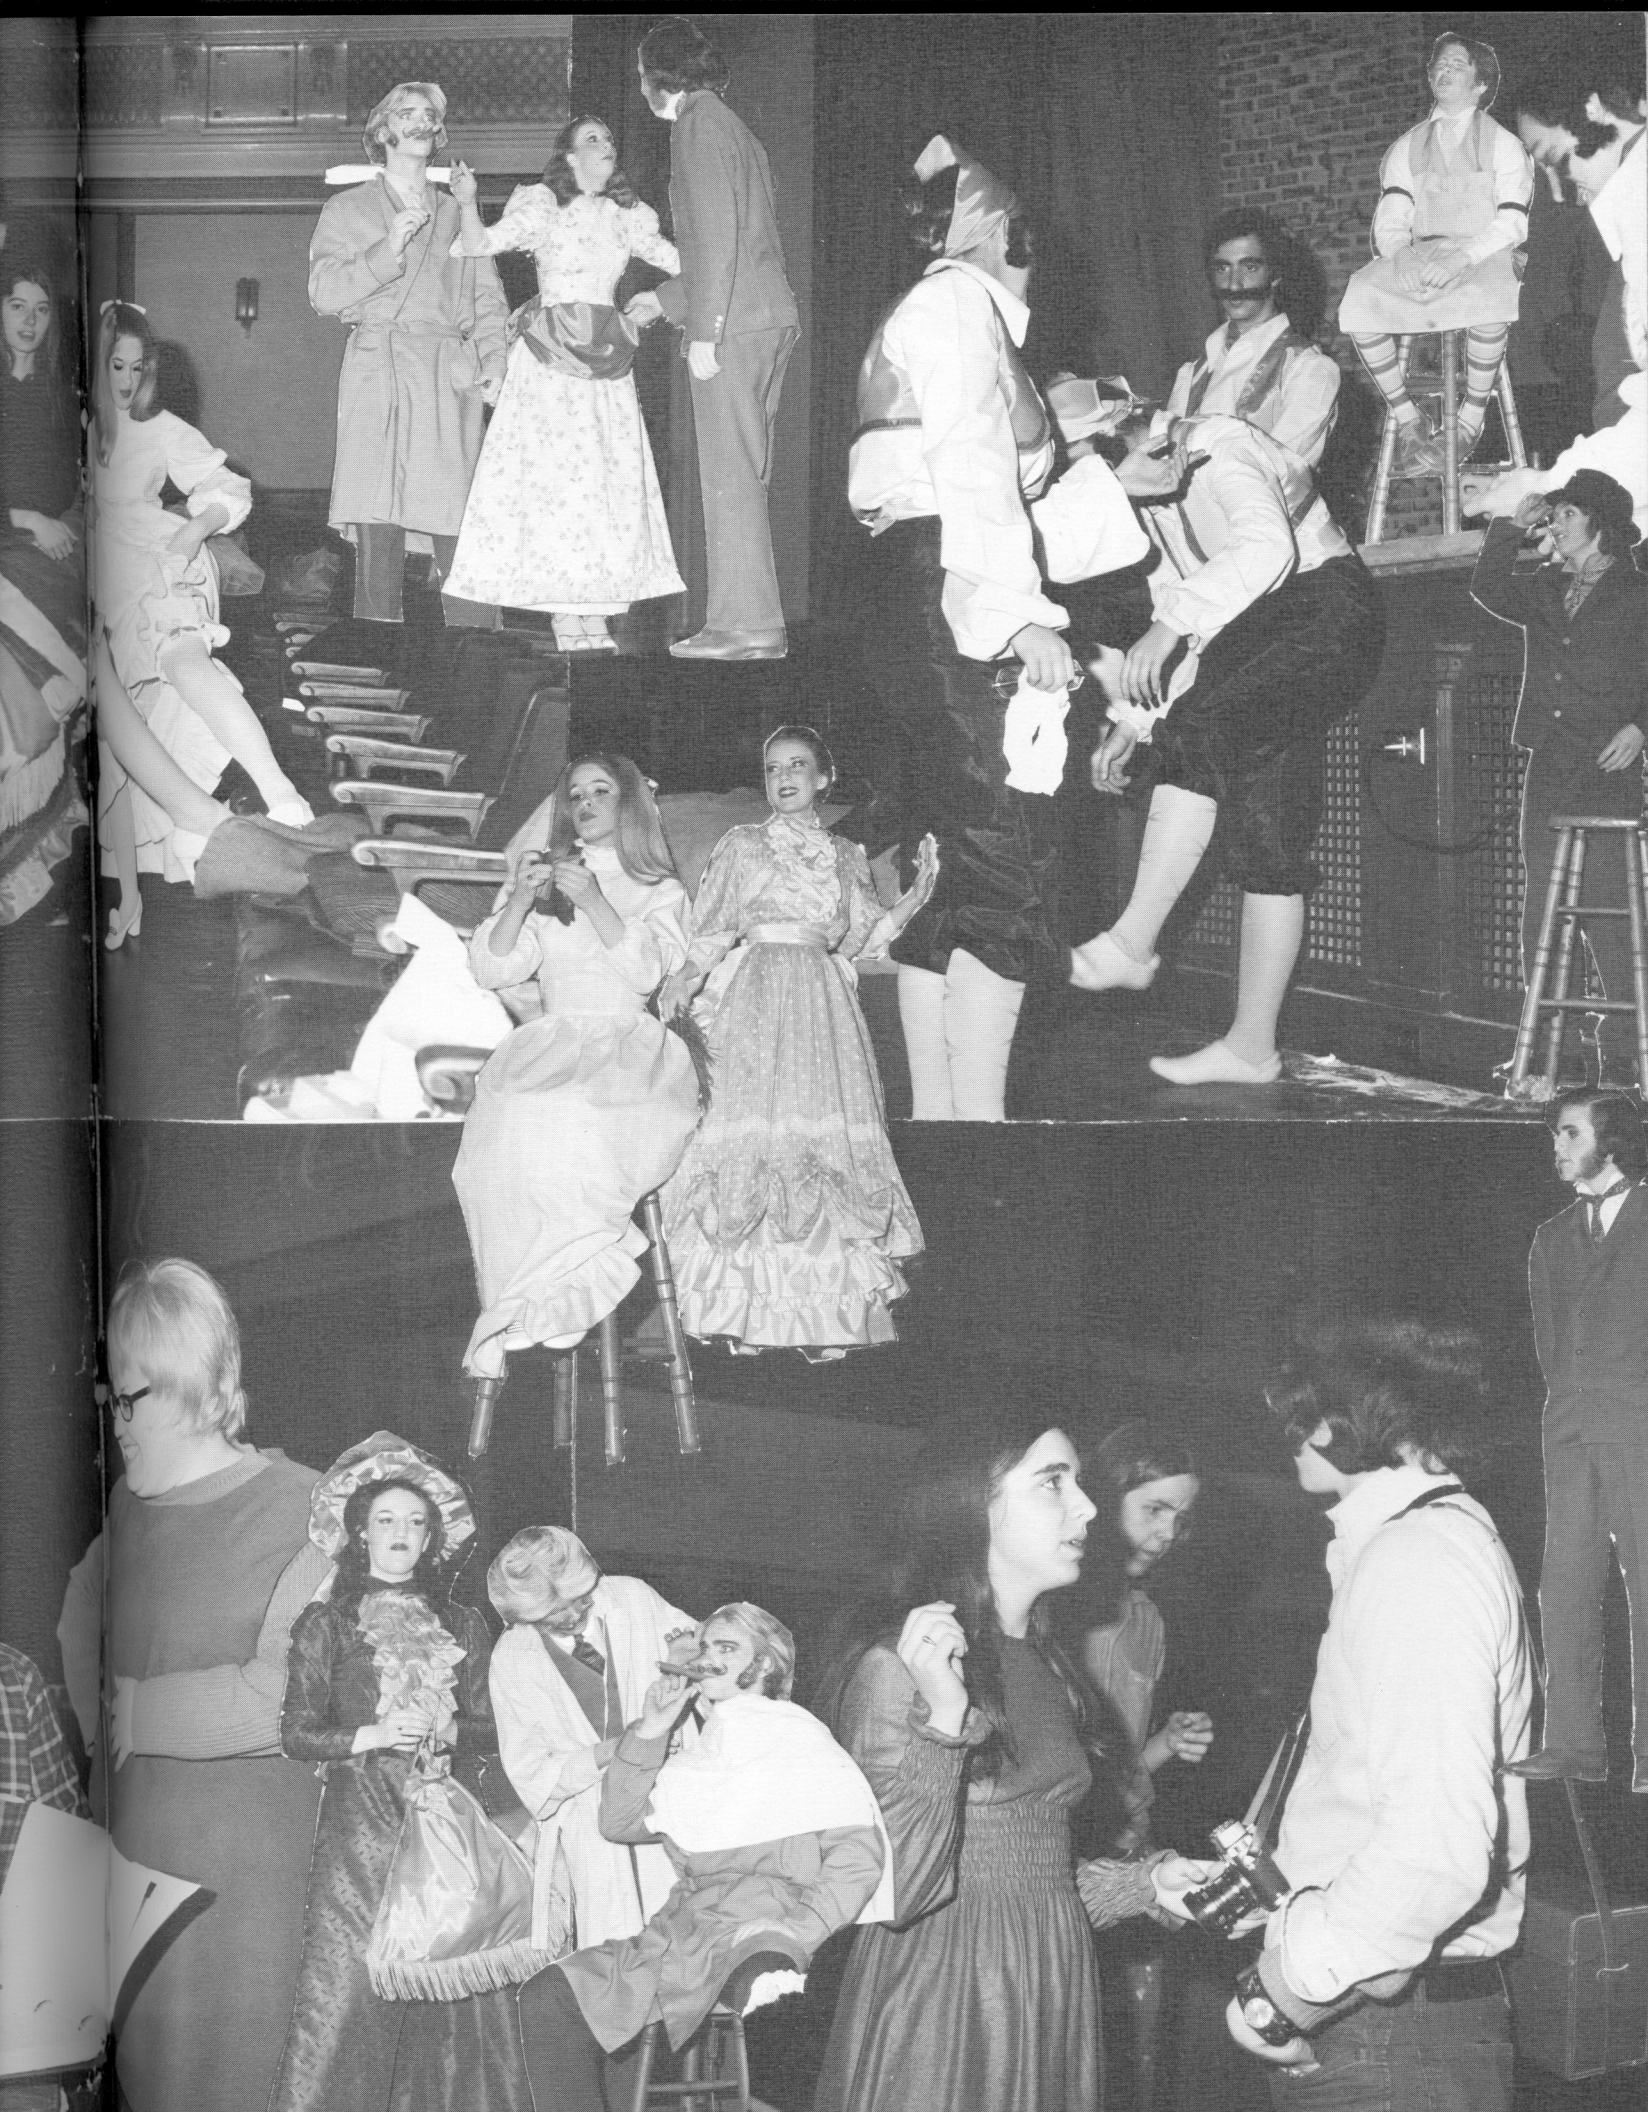

... And a warm Christmas Greeting.

# When I Grow Up I Want . . .

To run a mile under 4 minutes 30 seconds  
 To speak fluent Swahili  
 To design argyle socks  
 To do something right for a change  
 To drive an orange jeep and teach Physical Education  
 To please everyone I love  
 To be a famed filthy rich Master of Fine Arts  
 To drive my Chevy to the levee  
 To discover TGLAML  
 To be an elementary school teacher and get an apple everyday  
 To own a hippo farm in Africa  
 To catch up with the best seller list  
 To be a wino ski bum  
 To ski in the Olympics  
 To explain the inexplicable  
 To rule the world  
 To own a Landrover jeep and travel all over the U.S.  
 To be a professional roller skater  
 To grow the longest beard  
 To climb every mountain and ford every stream  
 To be a ski bum and a beer brewer  
 To own a giant swimming pool  
 To be a trout fisherman in America  
 To work it out  
 To get lost  
 To be somewhere else other than Pittsfield  
 To have my driver's license before I get medicare  
 To drive a jeep and be happy

To be a freak  
 To fade into the middle-class silent majority  
 To be somebody in a world of insignificance  
 To be a housewife with six kids  
 To live in Who-ville  
 To take it as it comes  
 To be in middle-class oblivion like the rest of the class  
 To run the school and then run the country like I ran the school  
 To end up walking around Pittsfield  
 To be a professional pitcher and win the Cy Young Award  
 To get stuck in a purple Volkswagen  
 To run a tomato factory on the Baja Peninsula  
 To flunk nursing and collect welfare  
 To marry Mr. McGinty's son  
 To get to Pluto  
 To get high on life  
 To have immortality  
 To get what I can  
 To be first in the unemployment line  
 To be crushed by a rampaging hippo  
 To go cross country  
 To be stranded in a diving bell with Ann-Margret  
 "Beep!" Censored  
 To be another Miss MacDonald  
 To be the manager of Pim's  
 Ahhhhhhhh couldn't say, my crystal ball broke down

Since 1835 the Berkshire Mutual has had its part in insuring the future of Berkshire County residents against loss of property. Selling through independent agents, it offers:

- Modern insurance coverages for your home, personal property and business.
- Savings through dividends which are paid on most types of policies.
- Fast claims service, the kind you appreciate when you have a loss, the kind that is possible because BMI's home office is located in Berkshire County.

Automation has revolutionized much of our society, but yearbooks still require much individual attention. T. O'Toole and Sons, one of the first printers in the nation to produce yearbooks by offset brings to you progressive ideas tempered by experience and a reputation for painstaking workmanship. Our factory trained sales staff is always available for individual advice. Because of their back-

grounds in the printing industry these representatives can easily solve any problems you may encounter with yearbook production—themes, layout, use of color, fitting copy, line drawings, advertising, proofreading and photography. Our modern plant extends a constant invitation to yearbook staffs and their advisors. Feel free to stop in at any time for an introduction to today's printing.
